## TO WHOM IT MAY CONCERN:

Mr. Kenny Sailors came to Angoon High School in the fall of 1987. I had the pleasure of working with Mr. Sailors in my capacities of athletic director for three seasons. Kenny did a superb job of coaching the varsity girls basketball team. During the 1987-88 season he took a young and inexperienced squad under his wings and guided them to a 16 and 5 record. His 1988-89 team finished 18 and 5. In 1989-90 his team had a 19-5 record while winning the conference, the Region V "AA" tournament, and a fourth place finish in the state tournament in Anchorage. In his three years at Angoon High School his teams won fifty-three times and lost only fifteen.

But more importantly Mr. Sailors was a gentleman in the true sense of the word. He is one of the nicest people I have had the pleasure of working with in my twenty four years in public education. The kids loved him - everybody loved him. The school showed its appreciation to him in 1991 when it dedicated the yearbook to him. Mr. Sailors was a great asset to the community of Angoon. Besides adding to the basketball program he had a caring attitude and concern for the well being of others. He had a great sense of humor and always had a smile on his face. Kenny cared about and believed in the students of Angoon High School and in return was well respected. He is missed by many!

Sincerely,

Richard J. Anderson
